ANTIOCH, ILLINOIS, THURSDAY, JANUARY 30, 1964

VOL. LXXVIII, NUMBER 31

DONALD L. SCHAFER (center) Vice President in charge of the Communications and Public Affairs Dept. and General Attorney for the Allstate Insurance Companies, Skokie, and State Chairman of the 1964 American Cancer Society Crusade, Mr. William B. Aker (on his left) Director of Personnel at Forest Metalurgical Corp., North Chicago, and Lake County Crusade Chairman for 1964 and Dr. Ronald G. Riegand (on his right) Section Head of Chemical Pharmacology in the Research Division at Abbott Laboratories, Lake County Crusade Co-Chairman and Chairman of the Trades and Industries Drive, were present at a recent training meeting of the Seventh District at the LaSalle Hotel, Chicago.

Mardi Gras Night For Pool Benefit

Everyone is invited to join in the fun and games of Mardi Gras Night at Pat's Lounge this Saturday, February 8.

There'll be something doing every minute, says Jim Olson, chairman of the evening's entertainment. Dancing, games, food and refreshments of all kinds will be available.

Proceeds of the event will go to help support the Lions Club Pool Fund.

Seniors Work On Trip Plans

The seventy Antioch High School students who are working to finance a Senior trip to New York and Washington are busy on several projects to raise money for their expenses.

Car washes, a bake sale, selling of Christmas wreaths and decorations, have netted them about \$800.00 so far. They need about \$4,000.00 to pay the expenses of those who have joined in working on the projects.

The Seniors have made arrangements to travel by bus with the Tri-State Tour Co. The tour company's price includes the trip to Washington and New York, hotel, a boat-line ticket for a tour around Manhattan Island, sight-seeing route tours of the World's Fair in New York, Radio City Music Hall, and a day in the nation's capital. They will leave at noon Saturday and return sometime Wednesday.

The group will be accompanied by seven women and two men chaperones.

Their fund-raising activities will pay for all except food and spending money. To pay these expenses the students are working on a number of small projects. They receive credit marks for each of these projects that they work on, and will eventually divide the funds according to the number of credit marks each has.

About one-third of the senior class has signed up.

Avon Players To Present Comedy

The Avon Players will present "The Brides of March" by John Chapman, on February 14 and 15 at Avon Auditorium, Route 21 three miles north of Grayslake. Curtain time is 8:30 p.m.

The production, directed by David Behan of Grayslake, is a light comedy and abounds with beautiful belles. An ex-Army officer inherits a tenth part of the estate of a Sheikh, whose life he saved during the war. The action is fast and funny and strewn with obstacles in the shape of the most embarrassing situations.

This is the second play of the current season offered by Avon Players.

Rescue Squad Calls

Roger Rowan, 21, Round Lake, Ill., was taken to McHenry Hospital, then to the Fox Lake Police station by the Antioch Rescue Squad after his car skidded on the icy pavement last Friday night and hit a tree at the intersection of Route 59 and Grand Ave.

Rowan was driving north on Route 59 when the accident occurred.

Mrs. Anna Pritchard, Rt. 4, Box 105, Antioch, was taken to Victory Memorial Hospital by the squad on January 31 after she suffered an apparent heart attack in Reeves Drug Store.

Mabel Davis, Rt. 5, Box 287, was taken to Victory Memorial hospital by the squad on January 24.

The Rescue Squad took Miles Anderson, 36, to Victory Memorial Hospital on January 24 after his car struck a train north of Antioch. Anderson suffered multiple injuries.

Sewer & Water Problems Keep Village Board Busy

Whether or not the village should retain ownership of main sewer lines installed on private property by benefit of easements—and thus assuming responsibility of maintenance—became the subject of a lively disagreement between Mayor Murrill Cunningham and Village Engineer Frank Angelotti at the meeting of the village board Tuesday night (Feb. 4).

It was a disagreement that was still not resolved when the meeting recessed, to resume next Tuesday night. The Mayor tossed this problem, and several others concerning water and sewers, back to the water and sewer committee for further study.

The question first arose when Engineer Angelotti presented tentative plans for a proposed sewer line to be installed to service Hennings Court. The proposed line would run from the existing line at Route 173 down the west side of Route 59, cross Route 59 at Hillside, and down Hillside to Hennings Court. The main sewer line on the west side of Route 59 would end on Osmond property. The question arose as to retaining ownership of this line, should further additions to the sewer system be necessary.

The question arose again in reference to the sewer line to be installed to the Lyn-Jay apartments on Rte. 21. Here the sewer line would end on property owned by Lyn-Jay Builders. The mayor suggested that responsibility for maintaining the line should be assumed by the apartment house owners. Angelotti pointed out that this would mean that Lyn-Jay Builders also owned the line. He declared that in his opinion ownership of all main sewer lines should remain with the village. Cunningham objected on the grounds that expense of maintenance should be borne by the individual.

Angelotti then cited a hypothetical case that could occur under individual ownership of sewer lines. Should Lyn-Jay Builders complete the three apartment houses for which they have permits, they might decide to sell them, in the future, to individual owners. Should the sewer become plugged, and the individual owners be unable to agree on who should pay for maintenance, the families renting the apartments would be without service, and the village would have a knotty problem on its hands.

Ray Toft joined the discussion, declaring that he felt ownership of all main lines should remain with the village to avoid future problems of maintenance and expansion.

The Mayor returned the question to the sewer and water committee for further discussion.

Mayor Cunningham then asked Angelotti if it were possible that the proposed sewer line on Route 59 could service 200 acres. Angelotti replied, "No. It would service up to 100 homes." He pointed out that installation of the proposed eight-inch line would cut off possibility of extensive expansion to the south on this line, but that installation of a large main at this time was impractical. The state, he said, would refuse approval of it with the present low flowage which would result from the small number of homes.

Roger Williams, chairman of the streets committee, reported plans for improved lighting at the corner of Routes 173 and 59.

The board approved a request by Edgar Simonsen that a cab be bought for the street sweeper, so that the workmen would not be exposed to the rain.

Edgar Simonsen reported that the township asked for permission to curb and gutter North Avenue as part of a project to improve drainage. The village owns the south half of North Ave., the township the north half. The village board had earlier refused to share the expense of improvements.

The township plans to improve the road from the Hotter home to Warriner's Subdivision, widening it and installing curbs and gutters in the portion in the village. The bill will be cut down. The board approved the request.

Ray Toft reported that Stop signs were needed at several intersections in the village, to establish right-of-way. The board approved a motion to install Stop signs at Spafford and Naber, Naber and Hillside, Crest and Turner, Naber and Osmond, Harden and Hillside, Second and Parkway, Chestnut and Bishop, First and Highland, McMillen and Anita, Anita and Ida, Cherry Lane and Poplar, and Sequoy and Anita.

Edgar Simonsen reported to the board that the village should consider drilling an additional well. No. 3 well,

he reported, was out of operation for five days in November, and wells No. 1 and No. 2 had to operate continuously to keep up with the demand for water. Had it been summer, he said, or had there been a bad fire, the village would have been in trouble.

Well No. 1, he said, could pump about 180 gal. per minute. Well No. 2 could pump 250 gal. per minute, and well No. 3, 500 gal. per minute.

Simonsen said that he felt a new well with an auxiliary power unit should be considered. Addition of another large industrial user would also put a strain on the village water system, he said. In 1963, he reported, Pickard's used 697,000 gal.; Regal 8,275,000 gal.; Frostee Sno 3,776,400 gal.; and Quaker Industries 8,443,400 gal.

After discussion, the board agreed to investigate the possibility of drilling a well

about 1500 to 2,000 feet deep. Ernest Glenn said such a well should be able to supply about 1,000 gal. a minute.

The board approved a motion to advertise for bids to lease or buy a squad car for the police department, bids to be opened at 8 p.m. at the regular meeting on March 3. They also approved a motion to advertise for bids to put a new roof on the fire house, bids to be opened at the March 3 meeting.

An ordinance was approved that vehicle stickers should be sold in May for the balance of 1964 at \$4.00 each, with stickers due as of January 1, 1965, at \$6.00 a year, with a \$2.00 penalty for late payment after February 15.

Records showed that the village collected \$5,436.49 for vehicle tags for 1963.

The meeting was recessed, to convene next Tuesday night, February 11.

Larson Starts Junior Deputy Plan For Boys

A special non-delinquent youth program created for Lake County has been announced by Sheriff Charles E. Larson.

Recognizing that only about 3% of the county's youth comprise the delinquency problem, Larson theorized that the youngsters who do not run afoul of the law should get more recognition for their conduct and good citizenship.

The Junior Deputy Sheriffs, as Larson dubbed the organization, will be limited to boys between ages 13 to 17 who have had no history of juvenile delinquency, or who have had a clear record for a year after having been declared a delinquent.

One of the first persons the Sheriff approached was Captain Slade Cutter, Commander of the Great Lakes Naval Training Center. The Captain and Sheriff agreed that if more attention is not given to this group some will join the ranks of the delinquents.

"The boy who is a problem to the community and the Sheriff today, could well be my problem tomorrow," stated the Captain in explaining his willingness to cooperate.

A summer program of sports and recreational activities for the Junior Deputies is now being planned with the highlight being a week-end encampment at Great Lakes.

Larson hopes to establish a closer cooperation between his police and the county's youth, "as it is important to us that they understand the objective and purpose of law enforcement. We plan to have applications available at my office on March 3."

says Larson, "with a Junior Deputy Sheriff's star and official identification to be presented at a later ceremony to those who qualify."

"We now envision four squadrons of Junior Deputies located geographically throughout the county," continued the Sheriff, "each under the supervision of one of my regular deputies."

Larson admits the project will not eliminate or remove all the basic causes of juvenile delinquency, but hopes to minimize the possibility of having a delinquent act committed by those who join.

"Keeping these lads busy during the summer through active youth programs should help cut down the temptation to get into trouble," hopes the Sheriff, "and perhaps it will guide our youth toward continuing on the path to becoming good citizens."

Grass Lake Voters Nix Addition

Voters of the Grass Lake School District turned down a \$130,000.00 building referendum last Saturday by a vote of 214 to 158.

This was the second time the referendum has been presented to the voters. The first time it was defeated by a narrow margin, with only a small number of voters casting ballots.

The referendum asked voters to O.K. a \$130,000.00 bond to build a gym and classrooms. The school at present has no gym facilities. Pupils are taken to Lotus School for physical education.

Charlotte Queen, secretary of the board, said that the board was discouraged by the second negative vote on the referendum. "I think the voters are showing great apathy to the school's problems," she said. "They don't realize that not building this addition can cost them more money in the long run."

She pointed out that the state requires a physical education program for the pupils. Only the upper three grades now receive any, and they must be transported to Lotus. The music facilities, Mrs. Queen said, are dwindling as the school becomes more crowded; there are no audio-visual facilities.

The school's enrollment is rising steadily each year, Mrs. Queen said.

I. Goldstein Dies

Services for Isidore Goldstein, 71, of 206 N. Pine Ave., Chicago, were held last Friday in the chapel at 3019 Peterson ave. He died January 29.

Mr. Goldstein and his wife, Dr. Helen B. Goldstein, have had a home at Channel Lake for several years, where Mrs. Goldstein was known by her former name, Dr. Button.

Mr. Goldstein was a well-known Chicago lawyer, a member of the Goldstein and Goldstein law firm at 110 N. Dearborn St. He was a founder of Roosevelt University and vice president of the Chicago Loop synagogue.

Mr. Goldstein is survived by his widow, Helen, and two sons, Morris and Alvin, medical students.

Thieves Loot Gas Station

Thieves broke into the Mobile Service Center on South Main St. in Antioch in the early morning hours last Monday (February 3) and made away with a sizeable amount of cash, six tires and a battery.

Ron Kaiser, McHenry, manager of the Mobile Station, discovered the robbery when he arrived at the station at 5:30 a.m. Monday morning. The glass in the door of the station had been broken by the thieves to gain entrance. Kaiser was still uncertain as to the full amount of the loss Wednesday morning as he was still checking inventory.

Police Chief Walter Scott estimated that the break-in occurred between 4:30 a.m. and 5:30 a.m. He said the door was apparently intact when a squad car patrolled the area at 4:30 a.m.

Will Welcome Public To H. S. Meeting

Are you interested in having a Foreign Exchange student in your home? Or in seeing one become a student at Antioch High School? Or, even, just curious about what the program of Exchange Students involves?

If you are, you're invited to a meeting at 10:30 a.m. in the Antioch Community High School auditorium on Tuesday, February 11.

John Cummings, president of the Libertyville Chapter for Foreign Exchange students will speak at the meeting, and will answer questions from the audience. He will explain the mechanics of the Exchange program.

One of the first requirements of the program is that some family in the school district, who has a son or daughter attending Antioch High School as a sophomore, junior or senior, is willing to take the foreign student into their home for the duration of his or her stay here.

The Student Council of the High School is sponsoring Tuesday morning's meeting. Harrison Brown is faculty adviser of the Council.

With all the new airline credit plans, we're fast becoming a debt-propelled nation.

Icy Roads Blamed For Car Death

Robert Leicht, 17, of Route 3, Box 659, Lake Villa, was killed and four other young people were injured in an accident on Route 59 south of Antioch Friday night, Jan. 31.

Leicht was killed when the car he was driving south on Route 59 evidently skidded on the icy pavement just south of Beach Grove Road, ran off on the shoulder, hit a sign and culvert, then snapped off a telephone pole and hit a power pole.

Leicht was taken to the Antioch Clinic by the Antioch Rescue Squad, where he was pronounced dead.

Most seriously injured of the other four was Robert J. Colucio, 17, of Rt. 2, Lake Villa. He was taken to Victory Memorial Hospital, and later taken to St. Catherine's Hospital in Kenosha for brain surgery. He remained in critical condition.

Julianne Brokaw, 15, of 382 S. Lake St., Grayslake, was seriously injured.

Cathy Colucio, 14, sister of Robert, and Leland Borecky, 16, of Rt. 3, Box 115, Lake Villa, were not seriously injured.

All of the young people were students at Grayslake High School.

Services for Robert Leicht were held Tuesday at the Ringa Funeral Home at Lake Villa. He is survived by his parents, Mr. and Mrs. John Leicht; a sister, Kathy, at home; his paternal grandparents, Mr. and Mrs. Isidor Leicht of Waukegan; and his maternal grandparents, Mr. and Mrs. Robert Wilton Wilson of Abbeville, S. C.

Night Classes Start At High School

Evening classes in Beginning and Intermediate Sewing, being held Monday nights at the Antioch Community High School, are in their second week of operations, as are Typing and Office Machines on Tuesday nights.

Developmental Reading and Conversational French had their first class on Wednesday night, February 5. Anyone wishing to enroll in the Wednesday night classes can still do so and only miss one meeting.

CAPTAIN SLADE CUTTER and Sheriff Charles E. Larson (seated) plan a summer encampment at Great Lakes for the newly created Junior Deputy Sheriffs of Lake County. Looking on are (left) Lt. Jim

McCain, Great Lakes Public Information Officer, and (extreme right) Stanley Schabowicz, Sheriff's administrative assistant, who will administer the program.

EDITORIAL

Junior Deputies

Sheriff Larson's Junior Deputy Corps, if it's successful, could be the most important bit of organizing he's done in his career as sheriff.

The "If" is a pretty big one. It'll take more than a few speeches to hold the interest of boys in the 13 to 17 age group.

If the boys are really exposed to some of the inner workings of the processes of law and order, the problems and methods of law enforcement—thereby gaining some knowledge of the problems and work of law enforcement officials—it could go a long way toward promoting respect of the law in the attitude of the people who will be the voters of a few years hence, and who create many of the sheriff's problems today.

If the sheriff hasn't already thought of something of the sort, we'd like to suggest that the best way to make the boys feel they're really an arm of the sheriff's office would be to let them acquire a real familiarity with the prosaic, everyday routine of that office. If it were legally and practically possible, to let a few boys at a time spend a day in the office, become familiar with the routine. Or ride patrol with some of the officers. These experiences could become "plums" offered as rewards for good records in the organization.

The success of the organization will be determined by the amount of effort and sincerity put into it by the adult workers. We hope it grows to a working and permanent group.

Courthouse Notebook

BY LOU DURKIN

This is shaping up as one of the wildest and wooliest election years to come down the political pike in many years and Democrats in Illinois are particularly gleeful at the prospects of a split in the Republican Party so serious that it may take years for the GOP to recover.

At all levels the Republicans are engaged in fraternal battles that can reach new lows of bitterness.

Presidential candidates who are center stage at the present time, like Gov. Rockefeller of New York and Arizona's Sen. Barry Goldwater, are setting the example for those in the lower echelons by their almost constant sniping at each other.

The schism between the conservatives in the Republican Party and the liberals is getting wider almost daily and with each new exchange the Democrats are sitting back and howling gleefully. "Go to it, boys."

In the Governor's race there is some hope that, after the first few days of name-calling, Charles Percy and State Treasurer William J. Scott will turn to the issues and forget the charges of deals and sneaky schemes.

This might have been an exciting and high level contest, if Scott had been in the running from the beginning, but the young Treasurer is starting from far off the pace and is going to have to let out all the stops if he hopes to overtake his equally youthful opponent.

The announcement over the weekend by Secretary of State Charles F. Carpenter that he personally was backing Percy gave the camera company executive an important boost.

Previous to the announcement there were mutterings that the endorsement of Percy by Carpenter forces was a maneuver by Robert Cronson, Carpenter's top aide; Timothy Sheehan, of Chicago, and others in the top echelon without the secretary's knowledge or consent.

If the Republican party in Illinois can survive this primary the future of the two-party government in Illinois is secure, but this election is going to put an enormous strain on the resiliency of the GOP.

The delegate race should produce some real fireworks with House Majority Leader W. J. Murphy of Antioch, and State Rep. John Connelly, of Gurnee, running against a field that right now includes County GOP Chairman Robert J. CHALLENGE OF CITIZENSHIP

RESPONSIBILITIES OF THE CITIZEN

By Lloyd Pedersen

"I hereby declare, on oath, that I absolutely and entirely renounce and abjure all allegiance to any foreign prince, potentate, state, or sovereignty of whom or which I have heretofore been a subject or citizen; that I will support and defend the Constitution and laws of the United States of America against all enemies, foreign and domestic; that I will bear true faith and allegiance to the same; that I will bear arms on behalf of the United States when required by the law, or that I will perform noncombatant service in the Armed Forces of the United States when required by the law, or that I will perform work of national importance under civilian direction when required by the law; and that I take this obligation freely without any mental reservation or purpose of evasion; So help me God."

This is the Oath of Allegiance pledged by all aliens seeking American citizenship by naturalization. These are probably the best summary of the responsibilities of the United States citizen to his country. In many cases, the alien-citizen understands his relationship with the United States better than the natural-born citizen. The greatest challenge the American faces as a citizen is realizing and living up to his duties. By carefully reading the Oath of Allegiance and thinking of what was read,

Illinois Democratic circles is that the Democratic machine is too thoroughly controlled for any one of its members to even consider announcing his candidacy without the backing and blessing of the Democratic powers-that-be.

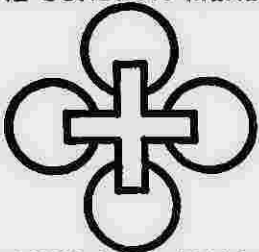

I don't see why everyone's so surprised that Oklahoma residents voluntarily chose to endure a series of ear-splitting sonic booms. They probably decided it was preferable to listening to the blasts from Presidential candidates in the next few months.

Incidentally, I'll bet Barry Goldwater's campaign manager lost some feminine votes for Barry last week when he rather sneeringly remarked that he was sure Mr. Goldwater wouldn't want Margaret Chase Smith as a running mate.

Constitution and the American form of government is to be interested in all issues of state.

Citizens of the United States are not only faced with protecting their Constitution and laws, but also with protecting their country. It is the citizen's duty and privilege to fight for his country in time of war or act as a noncombatant on the home front when national security requires it. Even more dangerous than the outward enemy, however, is the enemy which lurks within the country's borders under cover of social, political, and economic organizations. This is the enemy against which Americans must always be ready to fight and willing to learn to recognize the hidden evil in these organizations which try to win people over to rebel against the government. Maintaining security is one of the most difficult duties of the citizen, but it should be, one he is happy to do for love of country. A good citizen will not only willingly fight for his country, but will, if need be, die for it. The American citizen has certain responsibilities to his country given him with citizenship. As a citizen he gives all his allegiance and patriotic loyalty to the United States. He expresses his belief in the importance of the Constitution as the "supreme law of the land."

He realizes his part in protecting the Constitution and shows a sincere interest in the workings of the government. He is willing to fight for his country against both "foreign and domestic" enemies and struggles to make the United States a free, just, and secure land for all. This is the ideal citizen. He is the ideal American—interested in his government, hard-working for its cause, and, as is stated in the last sentence of the Oath of Allegiance, not afraid to ask God's help.

One of the worst tragedies that can befall a man is to have ulcers and still not be a success.

State Program on Conservation

The Directors of the Lake County Soil and Water Conservation District have completed their final plans for the sixth annual meeting of the District. The meeting will be held on Saturday, Feb. 8, commencing with a buffet lunch at 12 noon. The location of the meeting will be the Farm Bureau Building near Routes 120 and 45, Grayslake.

This year's program will feature tree planting as a conservation practice. The district has been very fortunate to obtain Mr. P. R. Farlow, General Agricultural Agent of the Illinois Central R.R., as a featured speaker.

Elmer Werhane, Farm Forester with the Illinois Department of Conservation, will be present and will explain the assistance that is available from the Department.

A short business meeting will include the election of three directors for two-year terms. Those whose terms expire are: S. Burton Lee, Stanley Rouse, and Stanley Faulkner. Other directors of the board are Henry Knigge and Henry Schaeppi. In addition to the five regular members, two assistant directors served during 1963. They are Herman Adams, Millburn, and Art Bucher of Round Lake.

The directors want to extend an invitation to the general public to join with them at the noon luncheon and the afternoon program.

The Progress of Seat Belts

If you are considering buying a new 1963 car you would be well advised to spend the few extra dollars required for a quality seat belt.

Belts are growing rapidly in popularity and are now installed in 69 percent of all cars on the road, though a good percentage of drivers fail to use them consistently.

Nothing makes a seat belt believer faster than being in an accident without one (providing you survive, that is). Medical authorities state flatly that better than one-third of fatal injuries would be avoided if the victims had been wearing belts.

One group of drivers who always fasten their belts before driving anywhere are the test engineers in charge of safety tests for the major car makers. Watching the results of a crashup against a concrete barrier at 30 mph with dummies in the cars is apparently quite a convincer for anyone inclined to consider a belt too much trouble.

New cars come pre-punched for seat installation now and the job of fitting your car with belts to match the upholstery is a fast and simple one.

It is important to wear seat belts on shopping trips and other short drives, as well as longer trips. Three out of four traffic fatalities occur within 25 miles of home and more than one-half of all injury-producing accidents take place in urban areas.

Learn to use this safety device now before you become convinced the hard way.

Class of '54 Plans Reunion

A reunion for the graduating class of 1954 from Antioch High School has been set up for July 11 at Lorenz's Smart Country House. A dinner-dance is planned.

The addresses of almost everyone in the class have been found with the exception of the following:

Rod Johnson, Bruce Mx, James Goding, Michael Hehn, and Jenny Patelski Vova.

If there is anyone who knows the whereabouts of any of these people, it would be appreciated if they would contact Harold Wilson, 395-4157, Dick Hedberg, 395-1142, or Sharon Bohrens Kramer, 395-1597.

Also, if there are any persons in the class who would like to help with further plans for the reunion, they are asked to contact one of the former class officers above.

MRS. DON HOLEM, JR. HAS EXCITING VISIT

By Dal Jahneke

On Last Wednesday, Jan. 29, Mrs. Don Holem, Jr., of Millburn, daughter of Antioch Postmaster and Mrs. Roy Kufalk, had a pleasant and exciting visit with Mrs. Don Parkhurst, a former nurse classmate, and a bridesmaid at Mrs. Holem, Jr., wedding.

The exciting part of the visit was Mrs. Parkhurst's story of her family's narrow escape from the Panama Canal Zone, during the height of the killings, burning of homes and cars, and rioting, much of which took place within a block of their home. Mrs. Parkhurst's husband is a doctor with the U. S. Air Force, and they have a year old baby daughter. They had lived in Panama City for nearly a year. Fortunately for the Parkhursts, they had decided to go for an afternoon's drive in the country, on the very day the rioting started. When they drove away, little did they dream they would never see their home again. They were only out of Panama City for a few hours.

As they started to re-enter the city, they noticed many of the college students milling around. However, as this was rather a common occurrence, they ignored it, and continued on their way. As they came near the city limits, a policeman flagged them down, and told them to immediately race to the U. S. Air Base as fast as possible. All they had with them were the clothes they wore.

Mrs. Parkhurst and daughter were evacuated to the United States two weeks later. After the situation had quieted down a little, Dr. Parkhurst was able to make some very complicated arrangements, and much of their clothing, furniture, etc. was returned to them.

Mrs. Parkhurst is residing temporarily with her parents in Elmhurst, Ill.

Births

Mr. and Mrs. Russell William (Sandra) Gilday, Grass Lake Road, are the parents of a baby boy, Russell William, Jr., born February 2, at 2:30 p.m. at Victory Memorial Hospital. Russell William, Jr., weighed 7 lbs. 7½ ounces at birth.

The Gildays have a daughter, Dawn Renee, at home.

Mrs. Dan Maras, Oakwood Knolls—Mrs. Frank Stroeschien.

East Loon Lake—Mrs. Robert Mann.

Loon Lake—Mrs. William Lucas.

Grass Lake—Mrs. William E. Petty.

Shady Nook—Mrs. Lloyd Murrie.

FR. HENDERSON OFFICIATES AT BAPTISMS

Mr. and Mrs. James Zajac of 185 Sixth Ave., California Subd., had their daughter, Mary Frances, baptized at St. Peter's Church on Jan. 26. She was born at the Zion Community Hospital Dec. 30, weighing 6 lbs. 9½ ozs.

Mr. and Mrs. Henry A. Apostol of 322 Bridgewood Drive, Oakwood Knolls, are the proud parents of a baby boy born Jan. 10, at St. Therese Hospital. He weighed 7 pounds, 8 ounces. The Apostol family consists now of two boys and two girls. Joanne is 9½, Suzanne is 2, Peter is 1. The baby was baptized on January 26 at St. Peter's.

Woman's Club Holds Meeting

By Dal Jahneke

The Antioch dance band, officially known as the Royal Tones, won a superior rating at the Chicago and Stage Band Festival. The contest was held in Oaklawn on Saturday. Antioch was runner-up to Fenton High School in the "best of class" competition for schools under 1500. Evanston, for the third straight year, won the "best of class" award for schools with enrollments over 1500.

The Music Association of the high school faces a busy schedule during the next few weeks. On Friday and Saturday, February 14 and 15 the association will sponsor a "Weekend of Swing." This program will feature the well-known Vocalaires Friday and the Antioch High Stage Band and Swing Choir on Saturday. Both programs will begin at 8:00 p.m. A few weeks later, on March 7, the Fine Arts Department will present the annual Spring Band Concert. On Saturday, March 14, band and choir members will attend the State Solo and Ensemble contest.

Wednesday of this week scored a movie for the entire student body. Juniors and seniors viewed the movie "Five Pennies" during the morning, and freshmen and sophomores saw it in the afternoon.

Wednesday the high school PTA held its February meeting. Donald V. Norton from the Division of Narcotics Control was the featured speaker. Students and teachers will enjoy a holiday from school on next Wednesday, Lincoln's birthday.

OF THE PURE OIL PERFORMANCE TRIALS

WE'RE NOT SURPRISED

In three grueling tests of acceleration, braking and economy, Pontiac GTO with an optional 348-hp engine outscored every other car in its class to cop the winner's trophy for Class 2 of the NASCAR sanctioned and supervised event. This meant beating five other makes with large V-8 engines of 362 to 400 cubic inches, each a finely-tuned production car with a skilled driver at the wheel. Which merely proves that the Tempest GTO is all Pontiac.

H. S. Stage Band Wins High Rating

On Saturday, February 1, the Antioch High School Stage Band participated in the 5th Annual Chicagoland Stage Band Festival at Oak Lawn Community High School.

The Antioch H. S. Stage Band, under the direction of Mr. J. Rush, received a superior rating, and was selected as one of the top three bands of the day in Class A competition.

For receiving a superior rating and being chosen as one of the top three bands in Class A, the Antioch Stage Band had the privilege of competing again at a concert, held the night of the contest, for the best of band award. The other two bands in Class A, that were also competing, were Fenton H. S. Stage Band and the Libertyville H. S. Stage Band. The Fenton H. S. Stage Band received the award as best Class A band.

This is the third year in a row that the Antioch H. S. Stage Band has received a superior rating and has been chosen as one of the top three bands of the day in Class A. In 1962, the Antioch Stage Band received the best of bands award; and in 1963 and 1964 has been runner-up for this award.

On February 15 you may hear this outstanding group along with the Antioch H. S. Swing Choir in a concert to be given at 8:00 p.m. at the high school. This concert is part of the "Week-end of Swing" put on by the Antioch H. S. Music Association to raise funds for the Antioch Summer Fine Arts Camp.

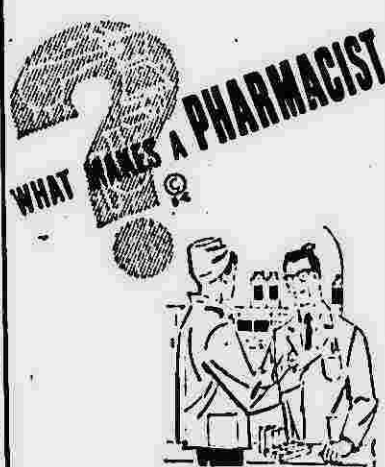

Grant High News Notes

Grant High School is proud of Bud Weick and his helpers for their successful March of Dimes Drive. The drive this year can be counted as one of the most successful that has been conducted, netting over \$850.00. The money was collected in the school and by the students who went out into the community on Sunday, January 26.

Seven Grant High School seniors are named as semi-finalists for Illinois State Scholarships. They are: Liane Deering, Gary Grant, Toby Gurewitz, Carol Longley, Phillip Rosol, Susan Silbert and Vivian Ward.

The final announcement of the scholarships to be awarded will be made during April, 1964. Monetary awards are granted in amounts not exceeding \$750.00 per year. Honorary awards, offering no monetary assistance, are granted in recognition of the student's college potential. Certificates of Merit are given to students who qualify but choose to attend out-of-state schools.

The after effects of an operation are felt by everyone.

Salem's Hofer Breaks School Scoring Record

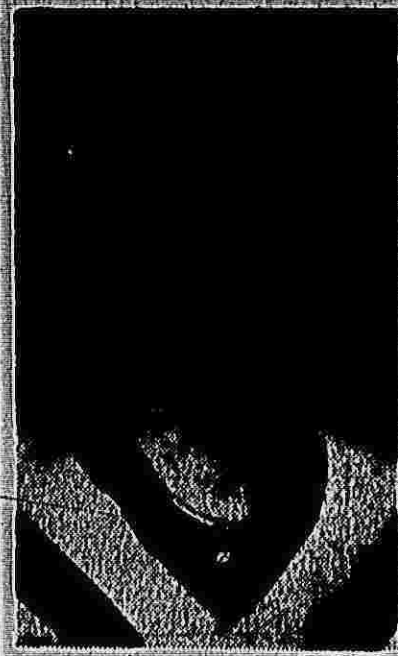

By John Hansen

The Salem Central Falcons clinched at least a tie for the Conference championship by beating the Union Grove Broncos 72-62. The Falcons are 6-0 in SEB action with only three games remaining. Waterford and Grove, tied for second place, each have 3-3 records.

Senior captain Bob Hofer broke the school scoring record held by all-star Dan Yates by netting 35 points. Yates scored 34 against Clinton in 1962, 35 against Grove the same year, but in an overtime. Hofer broke the game up in the second quarter by collecting 19 points. In addition to his scoring Hofer also did a fine job rebounding. Guard Joe Flaschner fed Hofer with some fine passes, particularly in the second quarter.

The first quarter was a give and take affair highlighted by numerous fouls. Tom Hancock, a 6-5 senior who started his first game since joining the squad two weeks ago, picked up 4 quick fouls in the quarter but his rugged play caused Grove to foul, too, and he sank 5 free throws. Gary Klug of Grove was tagged with 3 personals and was of little use the rest of the game. Hancock hit 4 free throws in the last minute of the period to put Salem ahead 16-15.

The second quarter was all Hofer. The big Salem center stuffed in 19 points, a good night's work in itself. Union Grove grabbed the lead 17-16 on a quick basket by Ron Geason. Then Salem and Hofer in particular, took over. The next 2½ minutes saw Hofer score 10 points and Bruce Dunek 2 as Salem upped its lead to 11. Grove never got closer than 6 after the Falcon flurry. Later in the quarter after Hofer had collected his 25th point the Broncos swarmed all over him only to have Jim Herda gun in 3 straight from the

Bob Hofer

corner. Even with Hofer dominating the scoring, all 10 Falcons scored. Salem led 43-30 at the half.

Grove came out fighting the second half and came within 6 (46-40) with 3:59 remaining in the quarter. Baskets by Hofer and Flaschner plus a free throw by Muhlenbeck put Salem back in gear. With 1:14 left Grove whittled the Falcon lead to 7 but 3 points by sophomore Rory Boucha in his first varsity game and a basket by Hofer gave Salem a 58-54 third quarter lead. Salem played possession ball in the fourth quarter and got the desired effects. Grove would come within 8 or 9 points of the Falcons but then the Broncos would commit costly fouls and had to watch Salem sink a free throw after free throw that kept them in the lead. Hofer didn't get his record breaking basket until only 14 seconds were left. He scored on a turn around jump shot from the left side.

Coach Dorm Grams' Falcons appear ready to clinch their 5th straight conference championship when they travel to Burlington St. Mary's. The Falcons hold

two lopsided wins over the outclassed Hilltoppers. Salem's "B" team is also in first place with a 6-0 slate. Rory Boucha and Guy Flaschner paced the Falcons to a 42-32 win.

Sophs Rally To Take Two

Mike Sterbenz and Tyrone Walls led the Antioch Sophs to a 40 to 36 victory over the Warren preps Friday night. Sterbenz and Walls scored 18 and 13 points respectively to lead the scoring for both teams.

It looked as if the Antioch sophs were in for a night of trouble as they were trailing 9 to 2 with only 2 minutes left in the first quarter. They rallied, however, and the score was 9 to 5 at the end of the period.

They found the range in the second quarter and moved out in front 20 to 17 at halftime. In the third quarter they put the game out of range, scoring 14 points while holding their opponents to only 4 counters. They were never headed after that and matched the Blue Devils' 15 point quarter effort for the final 40 to 36 margin.

Antioch controlled the boards, getting 41 rebounds with Blackman doing the heavy work with ten. Warren grabbed off 37 rebounds. Beat Grant 50-34.

Mike Sterbenz was high scorer again Saturday night as the Sequoias beat Grand 50 to 34. Walls added 12 points and Pat Sheehan did a good job on the boards for Antioch.

Coach Bruce Stahlmer was elated over his team's good defensive performance in holding the Grant quintet to 34 points.

Pogose Tops In Rebounds at Dubuque

A former basketball player from Antioch High School has been making a name for himself this year at Dubuque University, Dubuque, Iowa. Dennis Pogose, 6'7" sophomore center, has scored 112 points in 12 games thus far this season to rank third among his teammates.

In addition to his scoring, Pogose leads his team in rebounds and holds the record for a single game. Dennis got 13 rebounds Dec. 2 against Platteville, Wis.

The Dubuque Spartans have a record of four wins and eight defeats and are two and six in the Iowa Conference.

Taps-Chops-Cherries pulled within 1½ games of first place by sweeping all three games from Beauti-Vue Products. The old-timer "Doc" Koehn topped the winners with 638-245, followed by teammate Bob Caldwell's 588. Bill Couch was high with 568 for the Beauti-Vue quintet.

The Gibbs & Jensen entry almost upset the leaders, Rudolf Turkeys, three games, losing the last game by only 7 sticks. The Gibbs pinstrats, led by Bill Filatreault's 615-262, Dick Erickson's 612 and Ray Plautz's 560, had the night's five man high total of 2872-1001.

The Haydon Homes team with W. Streckfuss' 613 and Ted Oga's 564, took a pair from Slide Inn (Ed Drinkwine 635).

Colonial (Wayne Helwig 565) took two from Dalgard's IGA (Larry Dewar 548).

Get a Gas dryer on a free 60-day trial

Dry the modern gas way. Special offer lets you select a gas dryer of your choice and then enjoy the convenience, speed and economy of gas drying for 60 days before you buy.

With a gas dryer, you'll save an average of nearly \$20 a year on operating costs, compared with other automatics. You'll save on installation, too, for there's no investment in costly heavy-duty wiring needed to operate a gas dryer.

You be the judge. See how fast gas dries your clothes; how soft and sweet-smelling they come out of your dryer. There's no dry baking action that sets wrinkles when you dry with gas.

Choose from these money-saving gas dryers

Norge-Model DGE7020
featuring: 14-pound capacity

Hamilton-Model 94M3
featuring: Twin Air Stream Drying

Whirlpool-Model LJ49X featuring:
2 speeds, 6 cycles

Philco-Bendix-Model CG736 featuring:
combination washer-dryer

Visit your Northern Illinois Gas Company showroom and select the dryer you wish to try for 60 days. No down payment required. (Matching washers also are available.) After a 60-day trial we're sure you'll want to keep your gas dryer. And you can arrange for low payments with up to 36 months to pay. If you're not delighted with your dryer after your home trial, we'll pick it up. No obligation, of course.

Your nearby appliance dealer also has an exceptional offer on the purchase of a modern money-saving gas dryer.

Your Governor Reports

Meeting in special session for more than three weeks, the General Assembly recently agreed to compromise procedure for the coming at-large election of members of the Illinois House of Representatives.

I signed the legislation into law last week, one day after its passage and less than 24 hours before a deadline that could have resulted in a blanket-sized ballot and chaotic conditions in the forthcoming primary and election.

deal of discussion and dispute, the following bi-partisan agreement—based on my original proposals—emerged:

—Each major political party will nominate House candidates at party conventions, to be held June 1 in Springfield. Each party may nominate no more than 118 candidates for the 177 seats, thus ensuring minority representation. The conventions may nominate less than 118 candidates.

—Voters will choose convention delegates at the April primary. The 50 former representative districts will be used as the basis for selection of delegates, with two delegates elected from each district. Delegates will have weighted convention votes based on the number of votes cast in their district during the last general election.

tion personnel. The next procedure, of course, just pertains to the nomination and election of party candidates. Independent ones are not affected.

Sequoits Beat Warren, Bow To Grant Bulldogs

Bernie Smith came through with 27 points and was the leading Sequoit rebounder with 13 as the Antioch quint topped Warren Friday night 71 to 60 on the Sequoits' home court.

The Sequoits jumped out to a 10-18 first quarter lead and increased their margin to 33 to 27 at halftime. Warren rallied in the third quarter with a 16 point burst and took the lead 41 to 40 with a little over a minute left in the period.

Antioch regained the lead at the end of the third period and then proceeded to score

8 straight points at the start of the final stanza. Smith had 12 points in the fourth quarter, five of them in the opening rally.

The Sequoits were never in trouble again and coasted easily to the 71 to 60 victory. Smith and Vic Rogers gave the Sequoits a 40 to 34 edge on the boards.

The Antioch quint enjoyed one of their best nights from the field, hitting 27 of 63 attempts for 43 per cent. From the free throw line they had 17 of 22 tries for 78 percent. Warren hit 24 of 66 from the field and 12 of

18 from the charity line. Bob Schmitz turned in a good performance, adding 10 points to the Sequoit total.

NEVER GOT STARTED
At Fox Lake Saturday it was a different story as the Sequoits couldn't get together and dropped their second game of the season to the Bulldogs, 66 to 47.

It was all tied up at the end of the first quarter 11 to 11 when Grant took control of the board and moved out to a 28 to 25 halftime lead.

The Grant defense held Bernie Smith to 6 points while Vic Rogers got only 13 counters as the Bulldogs put on a 24 point burst in the third period against the Sequoits' pressing defense.

The Sequoits failed to come up with anything resembling a rally in the second half as the Bulldogs scored 6 quick baskets to open the third quarter.

Antioch settled down in the final stanza and stayed even with the Bulldogs but could not close the gap and lost by the final 66 to 47 margin.

Playing without their 6'7" center, Dillan, the Bulldogs still controlled the boards as the Sequoits got only 33 rebounds to 40 for the victors.

Grant also had a hot night from the field, cashing 28 of 53 attempts for 54 per cent. Many of their baskets were drive-in layups against Antioch's press however.

The Sequoits managed only 18 of 64 attempts for a poor 28 per cent.

The Sequoits have another double weekend coming up with a home game against Elmhurst Friday night and a non-conference game with Mundelein at Mundelein Saturday night. Mundelein was rated 14th in a recent poll of State prep standings.

D.A.R. Award At Grant High School

Grant Community High School D.A.R. and S.A.R. Good Citizenship award winners have been named. They are Diane Deering and James Mack.

Each year these awards are made to senior students outstanding in the qualities which determine good citizenship, as defined by the award sponsoring organizations. They are: defendability, service, cooperation and patriotism.

The selection of recipients of the awards is made by the members of the senior class. The presentation of the awards will be made later in the year during the Honors Day Program.

Council To Hold Benefit Concert

The Illinois Council for Mentally Retarded Children will benefit from a concert to be held at the Arie Crown Theater, McCormick Place, Chicago, on Sunday evening, March 15. Rise Stevens of the Metropolitan Opera will be guest soloist at the concert given by the Bjornson Male Chorus. Tickets may be obtained from the Illinois Council for Mentally Retarded Children, 343 S. Dearborn St., Chicago 4.

The Council reports that Jack Mabley, columnist for the Chicago American, collected a total of more than \$35,000 for the Needy Patients Commissary Fund at Dixon and Lincoln State Schools.

Children should be seen and not hurt, is Charles F. Carpenter's notation to motorists.

BOB SCHMITZ (22) gets two points against Warren Friday night as the Antioch Sequoits beat the Blue Devils for the second time this season 71 to 60. The Sequoits were not quite so fortunate Saturday night as they lost to Grant 66 to 47.

Drop Planners, Says Murphy

Elimination of state support for the Northeastern Illinois Metropolitan Planning Commission (the Randolph Commission) has been recommended by State Budgetary Commission Chairman W. J. Murphy in a letter to members of the Illinois General Assembly.

Chairman Murphy made his recommendation after studying a report from Dr. Thomas Anton, of the Institution of Government and Public Affairs of the University of Illinois, who was assigned to make a comprehensive study of the commission's activities during its five years of existence.

The report submitted by Dr. Anton was critical of the NIMAPC in five major areas and concluded that if the state is to assume responsibility for local and regional planning it should be done under the direction of the Board of Economic Development with full state control.

According to the report the NIMAPC has failed to follow statutory directives to create a master plan for the metropolitan area; top salaries appear out of line when compared with other state salaries; (e.g. the Executive Director's \$31,500 annual salary is higher than the Governor's); increased dependence on federal funds has resulted in heavy emphasis on government contract work at the expense of local planning; poor financial records make dependable audits difficult, and there is a lack of direct responsibility to any agency although federal, state, county and municipal funds are contributed to the support of the commission.

In his letter Budgetary Commission Chairman Murphy said, "So far as the Northeastern Illinois Metropolitan Area Planning Commission is concerned, I doubt that its accomplishments to date are sufficient benefit to the state to warrant continued financial support on a long term basis."

"I believe we should give serious consideration to reducing sharply the state's appropriation to this agency during the next biennium—perhaps cutting the present \$100,000 to \$50,000, and then eliminating state support entirely in the following two years," Chairman Murphy continued.

The commission was established by the Illinois General Assembly in 1957 under the general statement of legislative policy that, "It is determined and declared by the General Assembly that the welfare, health, prosperity moral and general well-being of all the people of this state are, in a large measure, dependent upon the sound and orderly development of the northeastern Illinois metropolitan counties area. In order to provide for such development it is essential that a sound and comprehensive

general plan for such area be devised. . . ."

The report from Dr. Anton agreed that some good had been accomplished by the Commission, but this approval was qualified by criticism of the Commission's failure to carry out the specific directives of the statutes which created the group.

Murphy pointed out that in the last session of the General Assembly \$37,500 was appropriated for the support of the newly created Southwestern Illinois Metropolitan Area Planning Commission. "It seems entirely within the realm of possibility to imagine the General Assembly faced in the future with bills creating similar agencies for the Rockford area, the Rock Island-Moline area,

the Peoria area, the Springfield area and others," Murphy said.

The Budgetary Commission Chairman, who is also House Majority Leader suggested that the state concentrate its future financial support for planning agencies in its own official planning agency, the Board of Economic Development, with the Board working with local planning agencies where the need arises.

Broccoli-Tomato-Cheese Scallop

From 1-1/2 lb. TableFresh Broccoli remove large leaves and ends of tough stalks. If stalks are thick, slice through. Boil till tender. Cut into thin strips or 2" pieces. Arrange in 1 qt. baking dish. Blend 1/4 cup milk with 1 can condensed cream of mushroom soup and pour over broccoli. Arrange TableFresh Tomato slices on top of sauce and grate (evenly as possible through coarse part of grater) 1 cup TableRite Cheese. Spread. Bake in 375° F oven until heated through, golden brown, and bubbly. Ideal with this week's "Chuck Steak Dinner." Utilize oven in last 20 minutes of cooking.

Braised Chuck Steak Dinner

Brown on both sides in 3 Tbsp. of TableRite Salad Oil a 1 1/2" thick piece of TableRite Beef Chuck. Place in baking dish having cover. Cover browned meat with de-seeded green pepper cut in strips. Also 1 cup sliced mushrooms, 1 cup sliced onions and 1 minced clove of garlic. Combine one No. 2 can tomatoes, 1/2 cup chili sauce, 1/2 cup beef bouillon, pinch of oregano with salt and pepper to taste. Cover, place in 375° F oven and cook till tender when pierced with fork (Approx. 1 1/2-2 hours). Serve hot with buttered noodles or choice of potato and TableFresh vegetable feature of the week.

Barbecued Creamed Potatoes

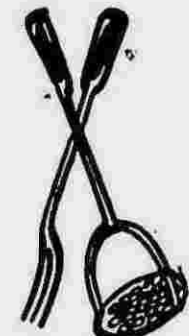

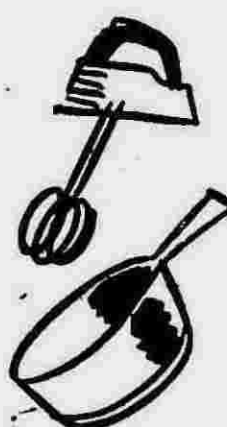

Despite peeling potatoes? Here's the answer to your problem. No peeling, no fuss, no muss. Thaw out a pkg. of Seabrook Frozen Whole Irish Potatoes, thinly slice and place in greased 1 1/2 quart casserole. Combine the following ingredients and pour over sliced potatoes: 1 small minced onion, 1 Tbsp. TableRite Oil, 1 Tbsp. IGA Flour, 1 1/2 cup milk, 1 cup TableRite Cheese Cubes, 1 Tbsp. IGA Catsup, 1/2 tsp. each of Worcestershire sauce, oregano, and salt, 1/4 tsp. tabasco, and a pinch of pepper. Cover and bake in 325° F oven until potatoes are tender - about 1 hour. Try this delicious accompaniment with this week's meat feature, also chicken, fish or barbecue.
